Park Presbyterian Church
Dear Mr. Robinson—

Wishing to unite with The Park Church next Sabbath-day, I send herewith a certificate of dismission from the Presbyterian Church of Canandaigua, of which I have been a member for many years.

I offer this to the Session for consideration as to reception, because illness prevents my being present on that day. Yours

this season, to make it consistent with the laws of our Church, some thing more is required of me. Will you kindly send a message by my Brother, E. Percy Hasbrouck, who will be at the Wednesday evening services.

Sincerely yours.

My dear Friends:

I just want you all to know how anxious I was on hearing of Stewarts illness, and how delighted when news came of the improvement. I trust he is gaining each day.

We are all well and my dear husband says he has not engaged a Hunter in

years as much as this. Of
course the weather has not
been
as severe as at Rotterdam,
but in the town I have felt
the cold much more. Visions
of my warm sitting room
with the grate fire, will
come before me very often
in spite of all I can do.

My callers have been few
and far between and not
even my next door neighbor
have deigned to look in

upon me. I must tell you of one funny call I had though — Zilpa Hackett of Potsdam and who teaches in Mt. Vernon. I never saw her there but it was kind of her to come, and I am a sinner to smile, am I not? I often think of the "Parson" remark of "being the head of the mouse or the tail of the rat" — well I am the tail

of the mare all right.

I read Evaline Holden aloud to Mr. Heath and Zilra and we all enjoyed it so much. It is a sweet little story.

I hope Mrs. Partridge will come to us Saturday for a week. Zilra and I took luncheon with her and the Strickland family last Thursday.

My love to all of you with a generous share to the little patient.

Affectionately

Julia F. Heath

Dear Sir:-

Your letter of the 20th with order for one "Between the Lights" to be sent Mrs. C. K. Holmes, Potsdam, New York, is at hand. I regret that we are entirely out of the seventy-five cent edition of this book and that there would be a considerable delay in filling your order if we waited until we could obtain stock. We therefore take the liberty of sending in its place the $1.50 book which costs you $1.12 net. This is far more attractive both in style and in binding and I am sure you would be willing to pay the differance should you see the books side by side.

Trusting that this method of filling your order will be satisfactory and hoping for further favors, I am,

Yours very truly,

C. W. Hippard, Manager,

My Dear Mr. Robinson.

I cannot write to tell you and thank you very very much for the beautiful book. It came on Christmas and we all have enjoyed it so much. Almost every afternoon I read to her from it, and recite the beautiful thoughts which it expresses. It reminds me of the kind days I spent with Mr. Robinson

My Dear Mr. Robinson:-

I enclose a little folder which we have gotten out for our Holy Week services, and I write to ask that, if it meets with your approval, the service which you have been good enough to consent to conduct should be of an evangelistic nature and directed toward the winning of converts to Christ.

I appreciate very much your goodness in being willing to preach for us that night, and we shall all look forward to it with a great deal of pleasure.

Yours very sincerely,

My dear Mr. Robinson:-

I have been very sorry to hear of your boys sickness, but am rejoiced to learn that he is progressing so rapidly, and that you will soon be out of quarantine.

I am making arrangements for preaching services every night of holy week, which begins April 5th. Could you arrange and would you be willing to preach for us the evening of the 9th, which is Thursday. I think I can promise you a good congregation, and it will give our people and me a great deal of pleasure to have you with us, and to have an opportunity of hearing you.

Trusting that you will be able to make this arrangement,

Yours very cordially,

Rev.W.C.Robinson,

Dear Court :- In answer to the within will say that I have not run acrost a mortgage such as you want until now,

J.K.Hood took a mortgage on the Abe Sacrider farm in Kortright, on the River a "crack farm" sold at $6000. and this forst mortgage was originally $4500. but it is now only about $3600. with interest at 5 % payable semianually, on June 1st. and Dec.1st. and only $100. each year of the principal, Now Hood bought this when he was in the Clerk's Office and since he has went into a dry goods business and got stuch on a $1000. note with the Bells which he has got to pay &c. so he will sell this mortgage at par, with accrued interest to date of sale, as it is certainly gilt edge, The Bramleys want it but dont want it until about May 1st. and Abe Hughes would take it but is waiting for his man who has bought his farm to pay &c so you see it is not going a begging, and if you want it yo can have it now or soon, A man by the name of Henry Kerr, is now the owner of this Sackrider farm, the interest and insurance caluses are in,

Of course you have heard of Woodruff's forgeries and the Bell Bros, failure, Old Delhi has not quite all gone to h--'l but pretty near, about all there is left of the old set is Charlie Hitt and me, and we have been s shaken up some with the Preston-Farring-Bill croud, but we still live,

Your's truly, J.R. Honywell
